

EPDS

EXPAND Control

The EXPAND Control is a purpose-built tablet that serves as either a meeting room controller or a scheduling panel, seamlessly integrating with leading UC solutions for any meeting room. Hassle-free installation and flexible tidy mounting options deliver an intuitive user experience that drives fast deployment and adoption.

red dot winner 2023

Key Features

Enhanced meeting control

The tablet serves as either a meeting room touch controller or scheduling panel which seamlessly integrates with leading UC-solutions, providing a superior meeting experience

Superior user-experience

Designed for an outstanding and ergonomic user experience, the tablet has an optimal viewing angle and a large 10.1" anti-glare treated touch screen

Adapts to all meeting spaces

Suitable for any meeting room size or type, it also supports EPOS EXPAND Vision video conferencing solutions

Flexible and tidy setup

Multiple mounting options, integrated cable retention and a single Power over Ethernet cable ensure an optimal and clean installation

Certified solution

Certified for leading UC solutions including Microsoft Teams Rooms on Android™ and Zoom Rooms, it delivers a flawless user experience and comes with a trusted stamp of approval

What's in the Box

EXPAND Control

Tabletop mount

Quick Guide

Compliance Sheet

Safety guide

Power over Ethernet (PoE) cable

Additional benefits & features

Secure mounting options

Optional wall and table mounting alternatives allows for flexible placement, Kensington lock support for secure installation

Centralized device management

Remote device administration through EPOS Manager or UC provider solutions

Room bookings, simplified

Side LED-lights clearly indicate room availability – even from a distance

Automatic power saving

Goes into power saving mode when the motion sensor detects no activity in the meeting room

Warranty and support

A two-year warranty ensures your investment is protected. Access to the EPOS Support team for questions and assistance is included
