

# ClickShare Bar Pro

Premium video bar for engaging, effortless wireless conferencing

- **Crystal-clear, high-quality stereo audio\***
- **Advanced AI-powered 4K camera**
- **Wired roomdock for 4K content sharing and alternative connectivity**
- **Advanced interactivity: touchback, annotation and blackboarding**
- **Carbon-neutral product\*\***

ClickShare Bar Pro is a premium, carbon-neutral, all-in-one video bar that enables engaging, effortless wireless conferencing in medium-sized meeting rooms with any videoconferencing platform. Thanks to its advanced AV capabilities (dual screen\*, 4K content sharing) and interactive features (touchback, annotation, blackboarding), it enables crystal-clear audio, sharp views and enhanced interactivity for meetings where all participants feel heard and seen. This solution offers unparalleled flexibility, allowing IT Managers to easily equip their meeting rooms. Paired with a 5-year warranty, the bar overall reduces the Total Cost of Ownership by consolidating all collaboration, audio and video functionalities into one powerful device.

\*Stereo speakers and dual screen will be available mid 2024.

\*\*Carbon-neutral label targeted for end Q1 2024.

**Product specifications****CLICKSHARE BAR PRO**
